# Unipack Machines Private Limited

<https://www.unipackmachines.in/>

We are one of the celebrated manufacturers, suppliers, distributors and exporters of a wide range of Machinery and Equipment. Furthermore, we are involved in offering Turn Key Project Management Services for Filtration System and Equipment.

## About Us

Established in the year **1989**, we, **Unipack Machines Private Limited**, are one of distinguished manufacturers, suppliers, distributors and exporters of an unlimited series of Machinery and Equipment. Our product range comprises of Filter Presses, Pharmaceutical Machinery and Packaging Machinery, which find a vast application in cosmetics, chemical, paints, food and oil industries. In addition to the outstanding product range, we are engaged in proffering Turn Key Project Management Services for Filtration System and Equipment. Extremely concerned with the quality proffered, we make sure to execute the services as per the industry procedures & norms, for manufacturing the entire range.

Ours is a Private Ltd. Co., with a magnificent infrastructure facility that is completely equipped with multiple machines, tools and equipment based on the cutting-edge & latest technology machinery. Moreover, we have recruited a team of professionals, who work extremely hard to attain the organizational goals, as per clients' needs. Having marked our presence all over the globe, we have garnered a long list of customers, which includes **J.B. Chemicals, Pepsi Group of Companies and Himalaya Drugs Co.** We have set examples for our peers and received their confidence & dependence upon us. We export our products **all over the world**.

Under the incomparable leadership of our Chairman and Managing Director, **Mr. Jaipal Shah**, we are...
